Dear Mr McLachlan

Notification N99687 submitted by Enviropheres Pty Ltd – request for material to be excluded from the public register

I refer to your notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 25 May 2017.

I have considered your request that confidential version of the cover letter and submission in support of the notification be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential version of the cover letter and submission in support of the notification will not be placed on the public register.

I note that you also provided a public version of your clients' cover letter and submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Gavin Jones on 03 9290 1475.

Yours sincerely

David Jones
