Dear Mr Luo

**Authorisations A91470 & A91471 – Qantas Airways Limited & China Eastern Airlines Corporation Limited – request for material to be excluded from the public register**

I refer to the above authorisations which were granted by the Australian Competition and Consumer Commission (the ACCC) 21 August 2015.

I have considered your request that the confidential version of the Northern Winter 2016/17 audit report be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the Competition and Consumer Act 2010 (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the report will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you have provided a public version of the report. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Gavin Jones on (03) 9290 1475.

Yours sincerely

David Jones
