Dear Ms Hartley

**Notification/Authorisation N100063 submitted by Technicolor—request for material to be excluded from the public register**

I refer to your submission regarding the above notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 8 February 2018.

I have considered your request that the confidential version of the submission (Annexure A) be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential version of the submission will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your clients' submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Miriam Kolacz on (03) 9658 6476.

Yours sincerely
