ACCC's Consideration OF NECA Code Changes:

Capacity Mechanisms & VOLL

I wish, on behalf of the Business Council of Australia Energy Reform Task Force, to seek an extension in the deadline for our submission to 26 November 1999. We are currently heavily involved in quite a few major energy regulatory issues at Commonwealth and State levels.

I hope you will consider our application in a favourable light.

Yours sincerely,

Bob Lim
Advisor, Business Council of Australia, Energy Reform Task Force.
