**Subject:** RE: Hunter Resource Recovery: applications (x2) [SEC=OFFICIAL]

Hi David,

Thanks very much for your time last week – it was great to talk to you too. Thanks for your email too.

In relation to the two applications we lodged with the ACCC in August 2023, I am instructed that the Applicants no longer wish to seek interim authorisation.

If you require any other information, please do not hesitate to contact me.

Thank you and kind regards,

Sally
