Subject: Medicines Australia-ACCC Authorisation AA1000486 – fortnightly report 21 August 2021 to 3 September 2021

Dear Simon/Darrell,

In relation to the ACCC Authorisation **AA1000486** (24 September 2020) and, specifically, in accordance with the Conditions of that Authorisation at paragraph 5.12, Medicines Australia provides the following fortnightly report on activities related to the Proposed Conduct.

In the period of 21 August 2021 to 3 September 2021, no meetings or discussions of the Medicines Australia/Generic and Biosimilar Medicines Association Working Group occurred and no decisions were made that fall under the Proposed Conduct.

Medicines Australia’s next fortnightly update will cover the period of 4 September 2021 to 17 September 2021. Additional updates will be provided to the ACCC as required and in accordance with Medicines Australia’s obligations under the authorisation.

We also consent to this nil report being published on the public register, with the appropriate privacy redactions.

MA submits the following information to the ACCC, to accompany the above report, in the interest of transparency and in accordance with the intent of the authorisation granted to MA on 20 September 2020.

MA requests this information is excluded from the public register, [Redacted]

The banner features the Medicines Australia logo on the left, which consists of two interlocking hexagons. To the right of the logo, the text reads "New Members Only Portal" in a light blue font, followed by "Register Here!" in a larger, bold, dark blue font. The background of the banner shows a woman in a white lab coat looking through a microscope, with various geometric shapes in shades of blue and green overlaid on the image.
