Dear Jamie

HVCCC Application for Authorisation (AA1000658) – ACCC Draft Determination

Thank you for your email of 01 May 24 and for sending HVCCC a copy of the Draft Determination.

This email is to inform the ACCC that HVCCC does not wish to pursue our original request that an HVCCC authorisation be extended to “Related Entities” (as that term is defined in our application of 19 Dec 23) and will not make a submission in response to the Draft Determination.

I also understand that HVCCC’s legal advisers have contact you to organise a discussion (scheduled for your return on 16 May 24) on some other aspects of the Draft Determination and steps leading to the ACCC’s final decision.

I look forward to hearing from them on the outcome of that discussion, and on the ACCC’s final determination on HVCCC’s application.

Kind regards,

Pat Cooper
