Dear Michael

APPLICATION FOR AUTHORISATION FOR PROPOSED CONDUCT: TOOWOOMBA REGIONAL COUNCIL AND WESTERN DOWNS REGIONAL COUNCIL

We refer to our conversation yesterday.

We are instructed the Proposed Conduct between Toowoomba Regional Council (**TRC**) and Western Downs Regional Council (**WDRC**) will not involve TRC and WDRC entering into joint contract(s) with the successful tenderer(s).

TRC and WDRC will review all submissions separately and enter into separate negotiations and contract(s) with the successful tenderer(s).

Accordingly, TRC and WDRC request the term of authorisation sought be reduced to three years from the date the ACCC approves the application for authorisation.

Please let us know if you have any questions or require any further information.

Yours faithfully
