Dear Mr Rickett

Merger authorisation (MA1000018) lodged by AP Eagers – request for material to be excluded from the public register

I refer to Europcar's submission to the Australian Competition and Consumer Commission (ACCC) on 24 May 2019 regarding the above merger application for authorisation for authorisation.

I have considered your request for certain information (at paragraph 8) in the record of Europcar's oral submission to be excluded from the public register.

The ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents (including records or oral submissions) provided to it in relation to an application for authorisation on its public register. A person submitting a document in relation to an authorisation application may request that the document, or parts of it, be excluded from the public register due to the nature of certain information it contains.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that certain information at paragraph 8 of the record of Europcar's oral submission will not be placed on the public register.

I note that Europcar agreed for the rest of the record of its oral submission to be placed on the public register on 3 June 2019.

This letter will be placed on the public register.

Should you have any questions in relation to this matter, please contact Jaime Martin on ((03) 9290 1477.

Yours sincerely
