Dear Ms Zerial

Merger authorisation (MA1000018) lodged by AP Eagers – request for material to be excluded from the public register

I refer to Toyota Motor Corporation Australia Limited's (**Toyota Australia**) submission to the Australian Competition and Consumer Commission (**ACCC**) on 28 May 2019 regarding the above merger application for authorisation for authorisation.

I have considered your request for certain information in Toyota Australia's confidential submission to be excluded from the public register.

The ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on its public register. A person submitting a document in relation to an authorisation application may request that the document, or parts of it, be excluded from the public register due to the nature of certain information it contains.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that identified information in Toyota Australia's confidential submission will be excluded from the public register. I note that Toyota Australia has also provided a public version of its submission. This version will be placed on the public register in the form it was provided to the ACCC.

This letter has also been placed on the public register.

Should you have any questions in relation to this matter, please contact Theo Kelly on (02) 6243 1179 (or at theo.kelly@acc.gov.au).

Yours sincerely

David Jones
