

Brenntag Australia Pty Ltd - Application for revocation of authorisation AA1000598 and substitution of authorisation AA1000622

The table below identifies the entities listed in the application for revocation of authorisation AA1000598 and substitution of authorisation AA1000622 (**re-authorisation**) and those entities that have notified the ACCC, pursuant to the ACCC's decision to grant interim authorisation dated 24 November 2022, that they wish to engage in the proposed conduct and be treated as 'Other Participants' (as defined in the [Interim Authorisation Decision](#)).

For entities listed in the application for re-authorisation, protection applies from the date interim authorisation was granted. For other entities that have notified the ACCC of their wish to engage in the proposed conduct, protection applies from the date the ACCC was notified.
