Subject: Marketing in Australia of Infant Formulas: Manufacturers and Importers Agreement (MAIF Agreement) - removal of signatories [SEC=OFFICIAL, ACCESS=Personal-Privacy]

Dear Adjudication team

We are writing to advise the ACCC that Wattle Health and Bega Nutritionals will be removed as signatories to the MAIF Agreement.

Wattle Health no longer market infant formula in the Australian market and Bega Nutritionals have requested, due to changes in their business, to be removed as signatories.

An updated list of MAIF Agreement signatories will be published on the [Department of Health and Aged Care's website](#) in the near future.

If further information is required, please contact the Department on maif@health.gov.au

Kind regards,
