Dear Mr Carter

Notification RPM20181 submitted by Tooltechnic Systems (Aust) Pty Ltd — request for material to be excluded from the public register

I refer to your second supplementary submission (of 27 April 2018) in relation to the abovementioned notification lodged with the Australian Competition and Consumer Commission (the ACCC) on 12 February 2018.

I have considered your client's request that the supplementary submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 95 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to a notification on the ACCC's public register. The Act provides that a person submitting a document in relation to a notification may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the supplementary submission will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your client's covering letter that accompanied the supplementary submission. This version will be placed on the public register in the form it was provided to the ACCC.

As previously foreshadowed, we will be in contact with you should we consider it helpful to refer to information contained in the supplementary submission in any public decision document.

Should you have any queries in relation to this matter, please do not hesitate to contact Tess Macrae on (03) 9290 1835.

Yours sincerely
