Dear Tess

Notification RPM20181 submitted by Tooltechnic Systems (Aust) Pty Ltd — request for further information

We refer to your request for further information dated 29 March 2018 and recent telephone conversations with Holger Schulz.

In response to the ACCC's request, Tooltechnic has compiled the relevant information that can be downloaded through this [REDACTED] Tooltechnic will also send you a USB with the documents by post. The link and the USB have numbered folders of documents which correspond with each category of information requested by the ACCC. Please note that the USB contains some additional photographs in Folder 1 that are not available via the link.

We are instructed that Tooltechnic wishes to keep confidential all of the further information provided to the ACCC in response to this request. The information is commercially sensitive and should not be publicly disclosed.

Tooltechnic has also provided the ACCC with contact details of various dealers, across different categories, in order to assist the ACCC in conducting visits to some of these dealerships.

As mentioned to you by Holger Schulz, Tooltechnic would like to meet with you and your team to guide the ACCC through the documents provided with this letter and to have a general discussion about any concerns that the ACCC may have with Tooltechnic's RPM notification. Please let us know some suitable days and times so we can arrange a meeting.

If you have any queries, please do not hesitate to contact Geoff Carter on 03 8608 2090.

Yours faithfully
MinterEllison
