Subject: nbn Co authorisation - Protocol para 3 report w/e 17 July 2020 [SEC=OFFICIAL]

Dear Kai and Jaime

Interim Authorisation: Report of “material decisions” for week ending 17 July 2020

We are instructed that with respect to the meetings of the Special Working Group or its sub-committees (**Committees**) held last week, there is no report to give under para 3 of the Protocol of any material decision made by the Committees that falls within the Proposed Conduct.

We are instructed to provide the following update more generally:

Committee meeting cadence

It was agreed that, in light of the evolving situation in Victoria and the stay at home directions issued for metropolitan Melbourne and the Mitchell Shire, the Special Working Group Committee dealing with network matters would meet weekly for the time being.

Summary of matters discussed at the Committee meeting held last week

In brief, the following matters were addressed at the Committee meeting held last week:

- analysis of international network performance data and usage trends from international carriers and organisations;
- analysis of recent **nbn** network performance data, including upstream and downstream traffic and usage patterns, with a focus on the new peak in traffic on Saturday, 11 July 2020 and the increase in traffic associated with the stay at home directions issued for metropolitan Melbourne and the Mitchell Shire;
- discussion of the steps certain OTT video streaming providers have taken regarding the voluntary measures they previously had in place and the associated change in network traffic that has been observed;
- discussion about the ongoing voluntary measures adopted by the main OTT videoconferencing providers and the most recent decision made by the SWG in this regard; and
- discussion of the measures put in place by some OTT gaming providers, including internationally.

Regards

Bruce
