Subject: nbn Co authorisation - Protocol para 3 report w/e 25 September 2020 [SEC=OFFICIAL]

Dear David and Jaime

Report of “material decisions” for week ending 25 September 2020

We are instructed that there were no meetings of the Special Working Group or its sub-committees (Committees) held last week. Accordingly, there is no report to give under para 3 of the Protocol of any material decision made by the Committees that falls within the Proposed Conduct.

Separately, an all-RSP briefing session on COVID-19 network related matters was held on 24 September 2020, in which RSPs were provided with information about the key matters that had been discussed by the Special Working Group Committee. The agenda of this all-RSP briefing followed the same agenda as the Special Working Group Committee in the preceding reporting period. nbn encourages all RSPs to attend these briefing sessions and RSPs can obtain briefing invitations and information via their nbn account team.

Regards

Bruce
