Subject: Request for extension to submission timeframe and request for conference [DLAP-AUMATTERS.FID1273082]
Date: Thursday, 9 April 2020 11:31:10 AM

Good morning Kaitlin and Danielle

Extension to timeframe for providing submission on draft determination

As you know submissions on the ACCC's draft determination regarding the car authorisation for car rental operators at Cairns Airport are due today.

Due to issues arising from the current Covid-19 pandemic requiring the urgent attention of Cairns Airport management and its advisors, Cairns Airport is not in a position to provide the ACCC with its submission within the currently specified timeframe.

Given the extraordinary nature of the current events Cairns Airport requests a short extension to the specified timeframe for providing its submission until Wednesday 15 April 2020. We request that you confirm this extension is acceptable to the ACCC by close of business today if possible.

Notice of request for conference

Cairns Airport would also like to notify the ACCC that it wishes the ACCC to hold a conference in relation to the draft determination

If you have any questions or would like to discuss either of these requests, please feel free to contact me.

Regards
