Reauthorisation of the Solar Retailer Code of Conduct

Thank you for your letter dated 26 May 2020 (Ref AA10000514) seeking submissions on the reauthorisation of the Solar Retailer Code of Conduct proposed by the Clean Energy Council.

The ACT Civil and Administrative Tribunal (ACAT) is the jurisdictional energy ombudsman for the ACT and also has jurisdiction to hear and resolve applications under the Australian Consumer Law.

I advise that, as the ACAT Energy & Water does not have any direct responsibilities in relation to the Code, we will not submit any comments in relation to the proposed Code.

However, the ACAT Energy & Water does have a direct interest in emerging technologies in the National Energy Market, and asks to be kept informed about future consultations in relation to the New Energy Tech Consumer Code.

Yours sincerely
