Subject: RE: ACT Private Healthcare COVID-19 arrangements authorisation AA1000513 - Request for information [SEC=OFFICIAL] [ACCC-ACCCANDAER.FID2590339]

Hi Emma

In response to your enquiry, we have the following information:

- The Territory has current panel contracts with a subset of the private hospitals which have signed the Heads of Agreement, for the provision of elective surgery and endoscopy for public patients.
- The hospitals are engaged through requests for quotes and subsequent issuing of work orders for elective surgery and endoscopy in keeping with their deed agreements.
- The Territory's public hospitals have contracts with co-located private hospitals for the provision of ad hoc capacity for overflow patient demand.

Please let me know if you require any additional information,

Kind regards

Kate
