Dear Darrell

CB10000483 – COMPPS – SUBMISSION

We act for Australasian Performing Right Association Limited (**APRA**), which trades as APRA AMCOS and OneMusic Australia.

I refer to your letter dated 29 November 2021 to APRA's Jonathan Carter. While not accepting all of the matters alleged against APRA in the collective bargaining notification from the Coalition of Major Professional and Participation Sports (**COMPPS**), APRA supports the notified conduct.

Please let me know if you would like anything further.

Yours sincerely
