Subject: Re: Following Up: ACCC Consultation - Screen Producers Australia - Interim Authorisation Submissions [SEC=OFFICIAL]

Dear Tom

I'm writing to let you know that the AWG does not object to SPA's substantive authorisation and we do not intend to make a submission on 18 December.

We are happy for you to include this email in the public register.

I hope you have a great break.

Kind regards,

Bryant Apolonio
Senior Industrial Officer
