Good morning Matt,

I have not been as close to this project as our Mark Verbaken has, but I am 100% convinced that we are not intending to follow the Goulburn Valley Waste and Resource Recovery Group and the North East Waster and Resource Recovery Group route.

To date we have been, and remain committed to the local contract with Albury Council and others.

I trust that is sufficient for you.

Kind regards,

**Leon Schultz**
