**Subject:** Re: Soft Plastic Stewardship Australia Limited application for authorisation AA1000695 – ACCC holding pre-decision conference [SEC=OFFICIAL]

Dear Naomi,

Thank you for your message and invitation.

Clean Up Australia endorses authorisation with conditions to Soft Plastic Stewardship Australia Limited (SPSA) as outlined in the Draft Determination by the ACCC. Our opinions and views on the proposed Scheme remain the same as previously expressed via written submissions. As such we will not attend the conference.

Warm regards,

**Lucia Moon**
