Subject: AA1000542 – Honeysuckle Health – submission

I am writing to express my unacceptance of the above proposal .

I believe this will result in lower quality health care for Australians .
It takes away the "rights" of Australian patients to their choice of doctor and their access to procedures and hospitals .

This ultimately will steal from sanctity of the doctor - patient relationship and allow health funds to dictate how and where patients will be treated .

Regards
Dr Dinushka Kariyawasam
