Subject: AA1000542 – Honeysuckle Health – submission

To Whom It May Concern,

I have read the AA1000542 - Honeysuckle Health submission. I am concerned that this proposal:

- Increases the power and influence of large for-profit corporations and the funding and delivery of healthcare in Australia
- Gives control of healthcare standards to commercial interests
- Damages the foundations of Australia's world-class healthcare system
- Will erode the right of Australians to their choice of doctor and their access to procedures and hospitals
- Ultimately, that it will steal from the sanctity of the doctor-patient relationship and dictate how and where patients will be treated.

I would like to formally object to this proposal.

Kind regards,
Dr Fiona Hill
