Subject: AA1000542 – Honeysuckle Health – submission

Dear ACCC,

I am a retired Anaesthetist that has worked in the UK, NZ and Australia. I wish to be added to the public register opposing managed care in any form. It will be detrimental to patient care and it promises to follow in the footsteps of the disastrous system in the US. I do not wish for our health care system to be destroyed in such a way.

Kind regards,

Dr NHP Kumarasinghe
