Dear Connie,

Further to your email dated 17 December 2020, thank you for inviting us to comment on an application for authorisation from Vintage Energy Ltd, Metgasco Ltd and Bridgeport (Cooper Basin) Pty Ltd to jointly market and give effect to supply agreements with customers with common terms and conditions (including price) for gas developed from the new Vali gas field in the Queensland Cooper/Eromanga Basin.

Epic Energy has no objections to the proposed authorisation. Epic Energy supports measures which encourage gas to be developed from new fields, and considers that appropriate joint marketing arrangements are desirable and serve the interests of consumers as well as producers.

Please contact me if you have any questions.

Kind regards

Reynard Smith
