[SEC=OFFICIAL] [ACCC-ACCCANDAER.FID3156918]

Hi Matthew,

I confirm that Indigo Shire is only looking to participate in the Albury City/Cross-border collaboration process, and not the North East Victoria collaboration.

Our interest in the NE collaboration was only ever intended to market-test landfill disposal (which is not part of the cross-border tender), but only if Albury City was in a position to respond to that tender. I understand that not to be the case and so our position is to worry about that through a simpler process at another time and not partake in the NE tender process.

I trust this provides adequate clarity and does not hold up the ACCC process.

Regards,

Ian Ellett  
Director Infrastructure Services  
Indigo Shire Council
