Dear Sophie and Isabelle

Regional Express Pty Ltd – Application for Authorisation (AA1000478)

We refer to your letter 5 May 2020.

Since interim authorisation was granted by the ACCC on 26 March 2020, [REDACTED]

Otherwise, the Qantas Group has been focusing on implementing its own operations pursuant to its agreement with the Government to operate a minimum domestic network. As such, we currently have no comments on the impact, benefits or detriments of interim authorisation having been granted.

Please let us know if you have any questions.

Yours sincerely

Michele Laidlaw
Head of Legal – Competition
Qantas Airways Limited
