

11 December 2020

David Hatfield
Director, Adjudication, Merger & Authorisation Review Division
Australian Competition & Consumer Commission

Dear David,

SUBJECT: ACCC Authorisation dated 29 October 2020 related to application AA1000527-1 granted to Ingham's, Turosi, Hazeldene's, and ACMF (Authorisation)

**Fortnightly report under paragraph 11 of the Interim Authorisation
Date: 11 December 2020**

1. Background:

- 1) On 29 October 2020 the ACCC granted the Authorisation.
- 2) Capitalised terms not defined in this report have the meaning given to them in the Authorisation.
- 3) Paragraph 5.13 of the Authorisation provides:

(1) Reporting obligations

The Parties provide a report to the ACCC on a weekly basis (or as otherwise agreed by the ACCC) setting out details of each material decision made by the COVID Working Group (as defined in paragraph 1.5 above) which involves or otherwise relates to the Authorised Conduct. The ACCC will publish the reports subject to the assessment of any confidentiality claim.

On the 11th November the ACCC agreed to amend the reporting frequency to fortnightly for the remainder of the Authorisation.

(2) Provision of further information

The Parties provide any further information that the ACCC reasonably requests (through a contact person nominated by the Parties) about the Authorised Conduct being engaged in under the authorisation.

2. Fortnightly Report for 26 November – 9 December 2020

One bilateral discussion took place during this reporting period. This discussion resulted in a bilateral commercial arrangement between Processors regarding the purchase and sale of various chicken meat products to be used for their own individual markets.

Yours faithfully,

Dr Vivien Kite Executive Director ACMF Inc
