Important Information

As required by the Interim Practice Direction dated 21 August 2015, this Notice has been inserted as the first page of the document which has been accepted for electronic filing. It is now taken to be part of that document for the purposes of the proceeding in the Tribunal and contains important information for all parties to that proceeding. It must be included in the document served on each of those parties.

The date and time of lodgment also shown above are the date and time that the document was received by the Tribunal. Under the Tribunal's Interim Practice Direction the date of filing of the document is the day it was lodged (if that is a business day for the Registry which accepts it and the document was received by 4:30 pm local time at that Registry) or otherwise the next working day for that Registry.

ANNEXURE C
SUPPLIER INFORMATION

Vessels

- 1 The table below contains details of the vessels brokers that Sea Swift utilise in identifying vessels for purchase or charter / lease, and details of suppliers used by TML to charter vessels.
- 2 The approximate cost of acquiring one of these vessels used for marine freight services in the NT and FNQ is:
 - (a) for a line haul vessel, up to \$8m;
 - (b) for a landing craft, up to \$4m;
 - (c) for a tug and barge set, up to \$3m.
- 3 The cost of chartering or leasing one of these vessels will depend upon the size and type of vessel, the type of chartering arrangement (bareboat or time) and the length of the arrangement.
- 4 As an example of charter costs, the following are the costs incurred by TML in chartering two vessels:
 - (a) for a large landing craft vessel under a bare boat charter, approximately [REDACTED] per day;¹
 - (b) for a landing craft vessel under a time charter, approximately [REDACTED] per day.²
