

Final Access Determination No. 2 of 2012 (LBAS)

Competition and Consumer Act 2010

The AUSTRALIAN COMPETITION AND CONSUMER COMMISSION makes this final access determination under section 152BC of the *Competition and Consumer Act 2010*.

Date of decision: 3 October 2012

.....

Rodney Graham Sims
Chairman
Australian Competition and Consumer Commission

1. Application

- 1.1 This instrument sets out a final access determination in respect of the declared service ('relevant declared service') specified in the table below.

Declared service	Expiry of declaration	Title of final access determination	Applicable schedules
Local bitstream access service (LBAS)	No expiry	Final Access Determination No. 2 of 2012 (LBAS)	1–7

Note:

- From 1 January 2011:
 - a carrier licence held by a Carrier is subject to a condition that the Carrier must comply with any access determinations that are applicable to the Carrier; and
 - a Carriage Service Provider must comply with any access determinations that are applicable to the provider.
- An Access Provider and Access Seeker may enter into an Access Agreement relating to a declared service. An access determination has no effect to the extent to which it is inconsistent with an access agreement: section 152BCC of the *Competition and Consumer Act 2010*.

2. Definitions and interpretation

- 2.1 Schedule 7 applies to the interpretation of this instrument. The Schedules form part of this instrument.

3. Commencement and duration

- 3.1 This final access determination commences on the day it is published.
- 3.2 Unless sooner revoked, this final access determination remains in force up until and including 5 October 2015.

Note:

- An access determination may come into force on a day which is earlier than the day the determination is made: subsections 152BCF(1) and 152BCF(2) of the *Competition and Consumer Act 2010*.
- The Interim Access Determination No. 2 of 2012 is revoked when this final access determination comes into force: subsection 152BCF(9A) of the *Competition and Consumer Act 2010*.

4. Terms and conditions of access

- 4.1 If a Carrier or Carriage Service Provider is required to comply with any or all of the standard access obligations as defined in the *Competition and Consumer Act 2010* in respect of the declared service, the Carrier or Carriage Service Provider must comply with those obligations on the terms and conditions set out in clause 4.2

Note: The terms and conditions in a final access determination apply only to those terms and conditions where terms and conditions on that matter in an Access Agreement cannot be reached, no special access undertaking is in operation setting out terms and conditions on that matter and no binding rules of conduct have been made setting out terms and conditions on that matter: section 152AY of the *Competition and Consumer Act 2010*.

Note: Pursuant to section 152BC(4A) of the *Competition and Consumer Act 2010* the LBAS access determination cannot:

- provide that any or all of the standard access obligations, referred to in section 152AR of the *Competition and Consumer Act 2010*, are not applicable to a Carrier or Carriage Service Provider (either unconditionally or subject to conditions or limitations); or
- restrict or limit the application to a Carrier or Carriage Service Provider of any or all of the standard access obligations referred to in section 152AR of the *Competition and Consumer Act 2010*.

4.2 If a Carrier or Carriage Service Provider is required to supply the declared service to a service provider, the Carrier or Carriage Service Provider is also required to supply the wholesale products defined in clause 4.3:

(a) at a price no greater than that specified in Schedule 1; and

(b) on the non-price terms and conditions specified in Schedules 2-6.

4.3 A Carrier or Carriage Service Provider, if it is required to supply the declared service, is required to supply upon request the following wholesale product/s:

(a) A LBAS with the following characteristics (25/5 Mbps):

- i) a downstream data transfer rate of 25 megabits per second (peak information rate)
- ii) an upstream data transfer rate of 5 megabits per second (peak information rate)
- iii) residential-grade service characteristics
- iv) use of a data port (user-network interface - e.g. Ethernet connector) on the network termination device at the end-user's premises
- v) if requested by the access seeker, a prioritised, symmetric bitstream of sufficient capacity to provide a voice service
- vi) if available and requested by the access seeker, use of an analogue voice port on the network termination unit at the end-user's premises.

Note: For the avoidance of doubt, the declared service, and therefore the wholesale product/s defined in clause 4.3, does not include backhaul between a network-network interface and a service provider's point-of-presence.

4.4 Nothing in this final access determination restricts a Carrier or Carriage Service Provider that is required to supply the declared service from supplying additional wholesale products to those specified in clause 4.3.

Note: Examples of additional products include, but are not limited to, unbundled voice services, unbundled data services, data services with different peak information rates and backhaul services from the Carrier or Carriage Service Provider's network-network interface to a retail service provider's point of presence.

Cl. 4.3 - Defined product	Charge per port per month
25/5 Mbps	\$27.00

Schedule 2 – Billing and Notifications

- 2.1. The Access Seeker's liability to pay Charges for the Service to the Access Provider arises at the time the Service is supplied by the Access Provider to the Access Seeker, unless the parties agree otherwise.
- 2.2. The Access Seeker must pay Charges in accordance with this FAD, including but not limited to this Schedule 2.
- 2.3. The Access Provider must provide the Access Seeker with an invoice each Month in respect of Charges payable for the Service unless the parties agree otherwise.
- 2.4. The Access Provider is entitled to invoice the Access Seeker for previously un-invoiced Charges or Charges which were understated in a previous invoice, provided that:
 - (a) the Charges to be retrospectively invoiced can be reasonably substantiated to the Access Seeker by the Access Provider; and
 - (b) subject to clause 2.5, no more than six Months have elapsed since the date the relevant amount was incurred by the Access Seeker's customer, except where the Access Seeker gives written consent to a longer period (such consent is not to be unreasonably withheld).
- 2.5. The parties must comply with the provisions of any applicable industry standard made by the ACMA pursuant to Part 6 of the *Telecommunications Act 1997* (Cth) and the provisions of any applicable industry code registered pursuant to Part 6 of the *Telecommunications Act 1997* (Cth) in relation to billing.
- 2.6. Subject to any Billing Dispute notified in accordance with this FAD, an invoice is payable in full 30 Calendar Days after the date the invoice was issued or such other date as agreed between the parties. The Access Seeker may not deduct, withhold, or set-off any amounts for accounts in credit, for counter-claims or for any other reason or attach any condition to the payment, unless otherwise agreed by the Access Provider. All amounts owing and unpaid after the due date shall accrue interest daily from the due date up to and including the date it is paid at the rate per annum of the 90 day authorised dealers bank bill rate published in the *Australian Financial Review* on the first Business Day following the due date for payment, plus 2.5 percent.
- 2.7. In addition to charging interest in accordance with clause 2.6 or exercising any other rights the Access Provider has at law or under this FAD, where an amount is outstanding and remains unpaid for more than 20 Business Days after it is due for payment, and is not an amount subject to any Billing Dispute notified in accordance with this FAD, the Access Provider may take action, without further notice to the Access Seeker, to recover any such amount as a debt due to the Access Provider.
- 2.8. Unless the parties otherwise agree, there is no setting-off (i.e. netting) of invoices except where a party goes into liquidation, in which case the other party may set-off. However, in order to minimise the administration and financial costs, the parties must consider in good faith set-off procedures for inter-party invoices which may require the alignment of the parties' respective invoice dates and other procedures to allow set-off to occur efficiently.
- 2.9. The Access Provider must, at the time of issuing an invoice, provide to the Access Seeker all information reasonably required by the Access Seeker to identify and

understand the nature and amount of each Charge on the invoice. Nothing in this clause 2.9 is intended to limit subsections 152AR(6) and 152AR(7) of the CCA.

- 2.10. If the Access Seeker believes a Billing Dispute exists, it may invoke the Billing Dispute Procedures by providing written notice to the Access Provider (Billing Dispute Notice). A Billing Dispute must be initiated only in good faith.
- 2.11. Except where a party seeks urgent injunctive relief, the Billing Dispute Procedures must be invoked before either party may begin legal or regulatory proceedings in relation to any Billing Dispute.
- 2.12. If a Billing Dispute Notice is given to the Access Provider by the due date for payment of the invoice containing the Charge which is being disputed, the Access Seeker may withhold payment of the disputed Charge until such time as the Billing Dispute has been resolved. Otherwise, the Access Seeker must pay the invoice in full in accordance with this FAD (but subject to the outcome of the Billing Dispute Procedures).
- 2.13. Except where payment is withheld in accordance with clause 2.12, the Access Provider is not obliged to accept a Billing Dispute Notice in relation to an invoice unless the invoice has been paid in full.
- 2.14. A Billing Dispute Notice must be given to the Access Provider in relation to a Charge within six Months of the invoice for the Charge being issued in accordance with 2.6.
- 2.15.
 - (a) The Access Provider must acknowledge receipt of a Billing Dispute Notice within two Business Days by providing the Access Seeker with a reference number.
 - (b) Within five Business Days of acknowledging a Billing Dispute Notice under clause 2.15(a), the Access Provider must, by written notice to the Access Seeker:
 - (i) accept the Billing Dispute Notice; or
 - (ii) reject the Billing Dispute Notice if the Access Provider reasonably considers that:
 - A. the subject matter of the Billing Dispute Notice is already being dealt with in another dispute;
 - B. the Billing Dispute Notice was not submitted in good faith; or
 - C. the Billing Dispute Notice is incomplete or contains inaccurate information.
 - (c) If the Access Provider fails to accept or reject the Billing Dispute Notice within five Business Days of acknowledging the Billing Dispute Notice under clause 2.15(a), the Access Provider is taken to have accepted the Billing Dispute Notice.
- 2.16. The Access Seeker must, as early as practicable and in any case within five Business Days after the Access Provider acknowledges a Billing Dispute Notice, provide to the Access Provider any further relevant information or materials (which was not originally provided with the Billing Dispute Notice) on which it intends to rely (provided that this obligation is not intended to be the same as the obligation to make discovery in litigation).

Without affecting the time within which the Access Provider must make the proposed resolution under clause 2.17, the Access Provider may request additional information from the Access Seeker that it reasonably requires for the purposes of making a proposed resolution pursuant to clause 2.17. This additional information may be requested up to 10 Business Days prior to the date on which the Access Provider must make the proposed resolution under clause 2.17. The Access Seeker must provide the requested information within five Business Days of receiving the request. If the Access Seeker fails to do so within five Business Days, the Access Provider may take the Access Seeker's failure to provide additional information into account when making its proposed resolution.

- 2.17. The Access Provider must try to resolve any Billing Dispute as soon as practicable and in any event within 30 Business Days of accepting a Billing Dispute Notice under clause 2.15 (or longer period if agreed by the parties), by notifying the Access Seeker in writing of its proposed resolution of a Billing Dispute. That notice must:
- (a) explain the Access Provider's proposed resolution (including providing copies where necessary of all information relied upon in coming to that proposed resolution); and
 - (b) set out any action to be taken by:
 - (i) the Access Provider (e.g. withdrawal, adjustment or refund of the disputed Charge); or
 - (ii) the Access Seeker (e.g. payment of the disputed Charge).

If the Access Provider reasonably considers that it will take longer than 30 Business Days after accepting a Billing Dispute Notice to provide a proposed resolution, then the Access Provider may request the Access Seeker's consent to an extension of time to provide the proposed resolution under this clause 2.17 (such consent is not to be unreasonably withheld).

- 2.18. If the Access Seeker does not agree with the Access Provider's decision to reject a Billing Dispute Notice under clause 2.15 or the Access Provider's proposed resolution under clause 2.17, it must object within 15 Business Days of being notified of such decisions (or such longer time agreed between the parties). Any objection lodged by the Access Seeker with the Access Provider must be in writing and state:
- (a) what part(s) of the proposed resolution it objects to;
 - (b) the reasons for objection;
 - (c) what amount it will continue to withhold payment of (if applicable); and
 - (d) any additional information to support its objection.

If the Access Seeker lodges an objection to the proposed resolution under this clause, the Access Provider must, within 5 Business Days of receiving the objection, review the objection and

- (e) provide a revised proposed resolution (Revised Proposed Resolution in this Schedule 2); or
 - (f) confirm its proposed resolution.
- 2.19. Any:

(a) withdrawal, adjustment or refund of the disputed Charge by the Access Provider; or

(b) payment of the disputed Charge by the Access Seeker (as the case may be), must occur as soon as practicable and in any event within one Month of the Access Provider's notice of its proposed resolution under clause 2.17 or its Revised Proposed Resolution under clause 2.18 (as applicable), unless the Access Seeker escalates the Billing Dispute under clause 2.22. If the Access Provider is required to make a withdrawal, adjustment or refund of a disputed Charge under this clause but its next invoice (first invoice) is due to be issued within 48 hours of its proposed resolution under clause 2.17 or its Revised Proposed Resolution under clause 2.18 (as applicable), then the Access Provider may include that withdrawal, adjustment or refund in the invoice following the first invoice notwithstanding that this may occur more than one Month after the Access Provider's notice of its proposed resolution or Revised Proposed Resolution.

2.20. Where the Access Provider is to refund a disputed Charge, the Access Provider must pay interest (at the rate set out in clause 2.6) on any refund. Interest accrues daily from the date on which each relevant amount to be refunded was paid to the Access Provider, until the date the refund is paid.

2.21. Where the Access Seeker is to pay a disputed Charge, the Access Seeker must pay interest (at the rate set out in clause 2.6) on the amount to be paid. Interest accrues daily from the date on which each relevant amount was originally due to be paid to the Access Provider, until the date the amount is paid.

2.22. If:

(a) the Access Provider has not proposed a resolution according to clause 2.17 or within the timeframe specified in clause 2.17, or

(b) if the Access Seeker having first submitted an objection under clause 2.18 is not satisfied with the Access Provider's Revised Proposed Resolution, or the Access Provider's confirmed proposed resolution, within the timeframes specified in clause 2.18,

the Access Seeker may escalate the matter under clause 2.23. If the Access Seeker does not do so within 15 Business Days after the time period stated in clause 2.17 or after being notified of the Access Provider's Revised Proposed Resolution under clause 2.18(e) or confirmed proposed resolution under clause 2.18(f) (or a longer period if agreed by the parties), the Access Seeker is deemed to have accepted the Access Provider's proposed resolution made under clause 2.17 or Revised Proposed Resolution under clause 2.18(e) or confirmed proposed solution under clause 2.18(f) and clauses 2.20 and 2.21 apply.

2.23. If the Access Seeker wishes to escalate a Billing Dispute, the Access Seeker must give the Access Provider a written notice:

(a) stating why it does not agree with the Access Provider's Revised Proposed Resolution or confirmed proposed resolution; and

(b) seeking escalation of the Billing Dispute.

2.24. A notice under clause 2.23 must be submitted to the nominated billing manager for the Access Provider, who must discuss how best to resolve the Billing Dispute with the Access Seeker's nominated counterpart. If the parties are unable to resolve the

Billing Dispute within five Business Days of notice being given under clause 2.23 (or such longer period as agreed between the parties) the Billing Dispute must be escalated to the Access Provider's nominated commercial manager and the Access Seeker's nominated counterpart who must meet in an effort to resolve the Billing Dispute.

- 2.25. If the Billing Dispute cannot be resolved within five Business Days of it being escalated to the Access Provider's nominated commercial manager and the Access Seeker's nominated counterpart under clause 2.24 (or such longer period as agreed between the parties):
 - (a) either party may provide a written proposal to the other party for the appointment of a mediator to assist in resolving the dispute. Mediation must be conducted in accordance with the mediation guidelines of the Australian Commercial Disputes Centre (ACDC) and concluded within three Months of the proposal (unless the parties agree to extend this timeframe); or
 - (b) if the parties either do not agree to proceed to mediation within five Business Days of being able to propose the appointment of a mediator under clause 2.25(a) or are unable to resolve the entire Billing Dispute by mediation, either party may commence legal or regulatory proceedings to resolve the matter.
- 2.26. The parties must ensure that any person appointed or required to resolve a Billing Dispute takes into account the principle that the Access Seeker is entitled to be recompensed in circumstances where the Access Seeker is prevented (due to regulatory restrictions on retrospective invoicing) from recovering from its end-user an amount which is the subject of a Billing Dispute (a Backbilling Loss), provided that:
 - (a) such principle applies only to the extent to which the Billing Dispute is resolved against the Access Provider; and
 - (b) such principle applies only to the extent to which it is determined that the Backbilling Loss was due to the Access Provider unnecessarily delaying resolution of the Billing Dispute.
- 2.27. Each party must continue to fulfil its obligations under this FAD while a Billing Dispute and the Billing Dispute Procedures are pending.
- 2.28. All discussions and information relating to a Billing Dispute must be communicated or exchanged between the parties through the representatives of the parties set out in clause 2.24 (or their respective nominees).
- 2.29. There is a presumption that all communications between the parties during the course of a Billing Dispute are made on a without prejudice and confidential basis.
- 2.30. If it is determined by the Billing Dispute Procedures, any other dispute resolution procedure, or by agreement between the parties, that three or more out of any five consecutive invoices for a given Service are incorrect by 5 percent or more, then, for the purposes of clause 2.20, the interest payable by the Access Provider in respect of the overpaid amount of the invoices in question is the rate set out in clause 2.6, plus 2 percent. The remedy set out in this clause 2.30 is without prejudice to any other right or remedy available to the Access Seeker.

Schedule 3 – Creditworthiness and security

- 3.1. Unless otherwise agreed by the Access Provider, the Access Seeker must (at the Access Seeker's sole cost and expense) provide to the Access Provider and maintain, on terms and conditions reasonably required by the Access Provider and subject to clause 3.2, the Security (as be determined having regard to clause 3.3 and as may be varied pursuant to clause 3.4) in respect of amounts owing by the Access Seeker to the Access Provider under this FAD.
- 3.2. (a) The Access Seeker acknowledges that unless otherwise agreed by the Access Provider, it must maintain (and the Access Provider need not release or refund) the Security specified in clause 3.1 for a period of six Months following (but not including) the date on which the last of the following occurs:
- (i) cessation of supply of the Service under this FAD, and
 - (ii) payment of all outstanding amounts under this FAD.
- (b) Notwithstanding clause 3.2(a), the Access Provider has no obligation to release the Security if, at the date the Access Provider would otherwise be required to release the Security under clause 3.2(a), the Access Provider reasonably believes any person, including a provisional liquidator, administrator, trustee in bankruptcy, receiver, receiver and manager, other controller or similar official, has a legitimate right to recoup or claim repayment of any part of the amount paid or satisfied, whether under the laws or preferences, fraudulent dispositions or otherwise.
- 3.3. The Security (including any varied Security) may only be requested where an Access Provider has reasonable grounds to doubt the Access Seeker's ability to pay for services, and be of an amount and in a form which is reasonable in all the circumstances. As a statement of general principle the amount of any Security is calculated by reference to:
- (a) the aggregate value of all Services likely to be provided to the Access Seeker under this FAD over a reasonable period; or
 - (b) the value of amounts invoiced in respect of the Service but unpaid (excluding any amounts in respect of which there is a current Billing Dispute notified in accordance with this FAD).
- For the avoidance of doubt, any estimates, forecasts or other statements made or provided by the Access Seeker may be used by the Access Provider in determining the amount of a Security.
- 3.4. Examples of appropriate forms of Security, having regard to the factors referred to in clause 3.3, may include without limitation:
- (a) fixed and floating charges;
 - (b) personal guarantees from directors;
 - (c) Bank Guarantees;
 - (d) letters of comfort;
 - (e) mortgages;
 - (f) a right of set-off;

- (g) a Security Deposit; or
- (h) a combination of the forms of security referred to in paragraphs (a) to (g) above.

If any Security is or includes a Security Deposit, then:

- (i) the Access Provider is not obliged to invest the Security Deposit or hold the Security Deposit in an interest bearing account or otherwise; and
- (j) the Access Seeker is prohibited from dealing with the Security Deposit or its rights to that Security Deposit (including by way of assignment or granting of security).

If any security is or includes a Bank Guarantee and that Bank Guarantee (Original Bank Guarantee) has an expiry date which is the last day by which a call may be made under a Bank Guarantee, the Access Seeker must procure a replacement Bank Guarantee for the amount guaranteed by the Original Bank Guarantee no later than two months prior to the expiry date of the Original Bank Guarantee, such replacement Bank Guarantee to have an expiry date of no less than 14 months from the date of delivery of the replacement Bank Guarantee.

If the Access Seeker fails to procure a replacement Bank Guarantee, then in addition to any other of the Access Provider's rights under this FAD, the Access Provider may, at any time in the month prior to the expiry date of the Bank Guarantee, make a call under the Bank Guarantee for the full amount guaranteed. The amount paid to the Access Provider pursuant to a call on the Bank Guarantee will become a Security Deposit.

- 3.5. The Access Provider may from time to time where the circumstances reasonably require, request Ongoing Creditworthiness Information from the Access Seeker to determine the ongoing creditworthiness of the Access Seeker. The Access Seeker must supply Ongoing Creditworthiness Information to the Access Provider within 15 Business Days of receipt of a request from the Access Provider for such information. The Access Provider may, as a result of such Ongoing Creditworthiness Information, having regard to the factors referred to in clause 3.3 and subject to clause 3.7, reasonably require the Access Seeker to alter the amount, form or the terms of the Security (which may include a requirement to provide additional security), and the Access Seeker must provide that altered Security within 20 Business Days of being notified by the Access Provider in writing of that requirement.
- 3.6. The Access Seeker may from time to time request the Access Provider to consent (in writing) to a decrease in the required Security and/or alteration of the form of the Security. The Access Provider must, within 15 Business Days of the Access Seeker's request, comply with that request if, and to the extent, it is reasonable to do so (having regard to the factors referred to in clause 3.3). The Access Provider may request, and the Access Seeker must promptly provide, Ongoing Creditworthiness Information, for the purposes of this clause 3.6.
- 3.7. If the Access Seeker provides Ongoing Creditworthiness Information to the Access Provider as required by this Schedule 3, the Access Seeker must warrant that such information is true, fair, accurate and complete as at the date on which it is received by the Access Provider and that there has been no material adverse change in the Access Seeker's financial position between the date the information was prepared and the date it was received by the Access Provider. If there has been a material adverse change in the Access Seeker's financial position between the date the information was

prepared and the date it was received by the Access Provider, the Access Seeker must disclose the nature and effect of the change to the Access Provider at the time the information is provided.

- 3.8. For the purposes of this Schedule 3, **Ongoing Creditworthiness Information** means:
- (a) a copy of the Access Seeker's most recent published audited balance sheet and published audited profit and loss statement (together with any notes attached to or intended to be read with such balance sheet or profit and loss statement);
 - (b) a credit report in respect of the Access Seeker or, where reasonably necessary in the circumstances, any of its owners or directors (Principals) from any credit reporting agency, credit provider or other third party. The Access Seeker must co-operate and provide any information necessary for that credit reporting agency, credit provider or other independent party to enable it to form an accurate opinion of the Access Seeker's creditworthiness. To that end, the Access Seeker agrees to procure written consents (as required under the *Privacy Act 1988* (Cth)) from such of its Principals as is reasonably necessary in the circumstances to enable the Access Provider to:
 - (i) obtain from a credit reporting agency, credit provider or other independent party, information contained in a credit report;
 - (ii) disclose to a credit reporting agency, credit provider or other independent party, personal information about each Principal; and
 - (iii) obtain and use a consumer credit report;
 - (c) a letter, signed by the company secretary or duly authorised officer of the Access Seeker, stating that the Access Seeker is not insolvent and not under any external administration (as defined in the *Corporations Act 2001* (Cth)) or under any similar form of administration under any laws applicable to it in any jurisdiction; and
 - (d) the Access Seeker's credit rating, if any has been assigned to it.
- 3.9. The Access Seeker may require a confidentiality undertaking to be given by any person having access to confidential information contained in its Ongoing Creditworthiness Information prior to such information being provided to that person.
- 3.10. Subject to this Schedule 3, the parties agree that a failure by the Access Seeker to provide the warranties set out in clause 3.7 or to provide Ongoing Creditworthiness Information constitutes:
- (a) an Event entitling the Access Provider to alter the amount, form or terms of the Security (including an entitlement to additional Security) of the Access Seeker and the Access Seeker must provide that altered Security within 15 Business Days after the end of the period set out clause 3.5; or
 - (b) a breach of a material term or condition of this FAD.
- 3.11. Any disputes arising out of or in connection with Schedule 3 must be dealt with in accordance with the procedures in Schedule 4. Notwithstanding that a dispute arising out of or in connection with Schedule 3 has been referred to the procedures in Schedule 4 and has not yet been determined, nothing in this clause 3.11 or Schedule 4 prevents the Access Provider from exercising any of its rights to suspend the supply of a Service under Schedule 6.

Schedule 4 – General dispute resolution procedures

- 4.1. If a dispute arises between the parties in connection with or arising from the terms and conditions set out in this FAD for the supply of the Service, the dispute must be managed as follows:
 - (a) in the case of a Billing Dispute, the dispute must be managed in accordance with the Billing Dispute Procedures; or
 - (b) subject to clause 4.2, in the case of a Non-Billing Dispute, the dispute must be managed in accordance with the procedures set out in this Schedule 4.
- 4.2. To the extent that a Non-Billing Dispute is raised or arises in connection with, or otherwise relates to, a Billing Dispute, then unless the Access Provider otherwise determines, that Non-Billing Dispute must be resolved in accordance with the Billing Dispute Procedures. The Access Provider may seek a determination from an independent third party on whether a dispute initiated by the Access Seeker as a Billing Dispute is a Non-Billing Dispute. If the independent or third party deems the dispute to be a Non-Billing Dispute, the Access Provider may provide written notice to the Access Seeker to pay any withheld amount to the Access Provider on the due date for the disputed invoice or if the due date has passed, immediately on notification being given by the Access Provider. For the purposes of this clause 4.2, the independent third party may include an arbiter from the Australian Commercial Disputes Centre (ACDC).
- 4.3. If a Non-Billing Dispute arises, either party may, by written notice to the other, refer the Non-Billing Dispute for resolution under this Schedule 4. A Non-Billing Dispute must be initiated only in good faith.
- 4.4. Any Non-Billing Dispute notified under clause 4.3 must be referred:
 - (a) initially to the nominated manager (or managers) for each party, who must endeavour to resolve the dispute within 10 Business Days of the giving of the notice referred to in clause 4.3 or such other time agreed by the parties; and
 - (b) if the persons referred to in paragraph (a) above do not resolve the Non-Billing Dispute within the time specified under paragraph (a), then the parties may agree in writing within a further five Business Days to refer the Non-Billing Dispute to an Expert Committee under clause 4.11, or by written agreement submit it to mediation in accordance with clause 4.10.
- 4.5. If:
 - (a) under clause 4.4 the Non-Billing Dispute is not resolved and a written agreement is not made to refer the Non-Billing Dispute to an Expert Committee or submit it to mediation; or,
 - (b) under clause 4.10(f), the mediation is terminated; and
 - (c) after a period of five Business Days after the mediation is terminated as referred to in paragraph (b), the parties do not resolve the Non-Billing Dispute or agree in writing on an alternative procedure to resolve the Non-Billing Dispute (whether by further mediation, written notice to the Expert Committee, arbitration or otherwise) either party may terminate the operation of this dispute resolution procedure in relation to the Non-Billing Dispute by giving written notice of termination to the other party.

- 4.6. A party may not commence legal proceedings in any court (except proceedings seeking urgent interlocutory relief) in respect of a Non-Billing Dispute unless:
- (a) the Non-Billing Dispute has first been referred for resolution in accordance with the dispute resolution procedure set out in this Schedule 4 or clause 4.2 (if applicable) and a notice terminating the operation of the dispute resolution procedure has been issued under clause 4.5; or
 - (b) the other party has failed to substantially comply with the dispute resolution procedure set out in this Schedule 4 or clause 4.2 (if applicable).
- 4.7. Each party must continue to fulfil its obligations under this FAD while a Non-Billing Dispute and any dispute resolution procedure under this Schedule 4 are pending.
- 4.8. There is a presumption that all communications between the parties during the course of a Non-Billing Dispute are made on a without prejudice and confidential basis.
- 4.9. Each party must, as early as practicable after the notification of a Non-Billing Dispute pursuant to clause 4.3, provide to the other party any relevant materials on which it intends to rely (provided that this obligation is not intended to be the same as the obligation to make discovery in litigation).
- 4.10. Where a Non-Billing Dispute is referred to mediation by way of written agreement between the parties, pursuant to clause 4.4(b):
- (a) any agreement must include:
 - (i) a statement of the disputed matters in the Non-Billing Dispute; and
 - (ii) the procedure to be followed during the mediation,and the mediation must take place within 15 Business Days upon the receipt by the mediator of such agreement;
 - (b) it must be conducted in accordance with the mediation guidelines of the ACDC in force from time to time (**ACDC Guidelines**) and the provisions of this clause 4.10. In the event of any inconsistency between them, the provisions of this clause 4.10 prevail;
 - (c) it must be conducted in private;
 - (d) in addition to the qualifications of the mediator contemplated by the ACDC Guidelines, the mediator must:
 - (i) have an understanding of the relevant aspects of the telecommunications industry (or have the capacity to quickly come to such an understanding);
