

## **TRADE PRACTICES ACT 1974**

### **UNDERTAKING TO THE AUSTRALIAN COMPETITION AND CONSUMER COMMISSION GIVEN FOR THE PURPOSES OF SECTION 87B**

**BY**

**PADDY PALLIN PTY LTD  
ACN 001 204 931**

#### **PERSON GIVING UNDERTAKING**

1. This undertaking is given to the Australian Competition and Consumer Commission ("the ACCC") by Paddy Pallin Pty Ltd ACN 001 204 931 ("Paddy Pallin") of 184 Adderley Street, Auburn, in the State of New South Wales, under section 87B of the Trade Practices Act 1974 ("the Act").

#### **BACKGROUND**

2. Paddy Pallin supplies a range of "Paddy Pallin Mountain Series" brand down sleeping bags in the Australian outdoor adventure product market. The "Paddy Pallin Mountain Series" sleeping bags are manufactured by an affiliated company – Paddymade Sales Pty Ltd ACN 001 194 181.
3. Paddy Pallin promotes its down sleeping bags through representations including "100% down", "90/10 down", and "80/20 down".
4. To test the accuracy of the 100% down content claims made by Paddy Pallin, the ACCC purchased two "Paddy Pallin Mountain Series" sleeping bags described in Paddy Pallin promotional material as containing 100% down, and arranged professional testing of the two sleeping bags in accordance with recognised testing procedures for down products.
5. The results of the testing on the two Paddy Pallin sleeping bags showed that both sleeping bags contained less down than the represented 100%. One Paddy Pallin sleeping bag was calculated to contain 73.5% down and the other Paddy Pallin sleeping bag was calculated to contain 86.8% down.
6. In correspondence with the ACCC, Paddy Pallin advised the ACCC that its 100% down content claims were made in reliance on its interpretation of labelling percentage 'tolerances' contained in Australian Standard (AS) 2479-1987 and that it had not intended to mislead or deceive consumers.
7. Following its investigation into Paddy Pallin's 100% down content representations, the ACCC considered that these representations are false and misleading to consumers and accordingly, likely constitute conduct in contravention of sections 52, 53(a) and 55 of the Act.
8. Paddy Pallin acknowledges the ACCC's concerns that its various 100% down content claims are false and liable to mislead consumers in likely contravention of sections 52, 53(a) and 55 of the Act.

## UNDERTAKING

9. In consequence of the matters referred to above, Paddy Pallin gives the following undertaking to the ACCC pursuant to section 87B of the Act:
- 9.1 Paddy Pallin undertakes to the ACCC, that for a period of 3 years, it will not:
- (a) promote that any of its down sleeping bags or clothing items contain 100% down, given that normal commercial manufacturing processes are very unlikely to achieve this percentage of down content;
  - (b) make any other representations as to down content percentage which include any down content percentage tolerance or allowance; and
  - (c) make any representations as to down percentage content and/or specie that it cannot substantiate by way of testing of finished down products derived from each shipment of down, or finished down products, purchased by Paddy Pallin ('finished down products' refers to down products where the manufacturing process has been completed). Such testing is to be conducted by an International Down & Feather Bureau (IDFB) accredited testing organisation.
- 9.2 Paddy Pallin will use its best endeavours to ensure that all Paddy Pallin down product labelling and promotional material in the possession of Australian retail outlets supplied by Paddy Pallin does not display any false or misleading representations as to down percentage content and/or specie.
- 9.3 Paddy Pallin will place on its internet web-site for 3 months following the commencement of this undertaking a corrective notice as set out in *Annexure A* to this undertaking.
- 9.4 Paddy Pallin will, within 20 days of the commencement of this undertaking, in conjunction with certain other outdoor down products companies, place a corrective advertisement in the form set out in *Annexure A* to this undertaking in a Saturday or Sunday edition of the largest circulation daily capital city newspaper in each State and Territory in Australia in which Paddy Pallin's sleeping bags have been sold. The corrective advertisement will be placed within the first ten pages of each newspaper, and will be of a size of at least 20cm x 11cm (or equivalent area), with minimum 9 point font size. The heading of the corrective newspaper advertisement will be at least 2 point font size larger than the other text.
- 9.5 Paddy Pallin will provide the ACCC, within 7 days after the publication date of each corrective newspaper advertisement, with a copy of the corrective newspaper advertisement.

### **Trade Practices Compliance Program undertaking**

- 9.6 Paddy Pallin will, within 3 months of this undertaking being accepted, establish and implement a Trade Practices Compliance Program in accordance with the requirements set out in *Annexure B* for the officers, employees and other

persons involved in Paddy Pallin's business who have contact with Australian resellers or consumers of Paddy Pallin products, or who are involved in the marketing or promotion of Paddy Pallin products. The Compliance Program is designed to ensure awareness of Paddy Pallin's responsibilities in relation to the requirements of sections 52, 53(a) and 55 of the Act, and to minimise Paddy Pallin's risk of future breaches of sections 52, 53(a) and 55 of the Act.

- 9.7 Paddy Pallin will maintain and continue to implement the Trade Practices Compliance Program for a period of 3 years from the date of this undertaking coming into effect.
- 9.8 Paddy Pallin will provide, at its own expense, a copy of any documents required by the ACCC in accordance with Annexure B.

#### **COMMENCEMENT OF UNDERTAKING**

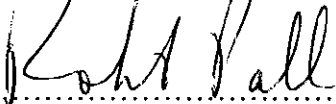

10. This undertaking comes into effect on the date on which:
- (a) the undertaking is executed by Paddy Pallin; and
  - (b) the ACCC accepts the undertaking so executed.

#### **ACKNOWLEDGEMENTS**

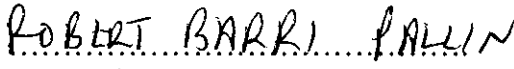

11. Paddy Pallin acknowledges the ACCC's right to make this undertaking available for public inspection and notes that the ACCC will, at its discretion, from time to time, publish and publicly refer to this undertaking.

**IMPORTANT NOTICE****DOWN CONTENT LABELLING OF SLEEPING BAGS**

The Australian Competition and Consumer Commission (ACCC) has brought to our attention that sample testing of our sleeping bags showed that they contained significantly less than the percentage of goosedown or down that we have claimed – such as “100%” or “minimum 90%”.

Accordingly, the ACCC has advised us that the goosedown or down content claims that we have made are likely to be in contravention of the *Trade Practices Act* which requires that any claims made be accurate and not misleading to consumers.

While we believed that the 100% or 90% goosedown or down content claims that we made for our sleeping bags were permitted under the Australian Standard 2479-1987, (*Down and/or feather filling materials and filled products*), we fully acknowledge the ACCC’s concerns and apologise to consumers who consider that they may have been misled by the claims that we made.

We have undertaken to the ACCC that where in future we specify a percentage (or percentage range) of goosedown or down this will accurately reflect the minimum amount of goosedown or down present in our sleeping bags. Consumers with any queries about the down content of the sleeping bag they have purchased should contact the relevant company for further information.

This corrective advertisement has been jointly placed by Adventure One Pty Ltd, Arthur Ellis Limited, Kathmandu Pty Ltd, Macpac Wilderness Equipment Limited, Mont Adventure Equipment Pty Ltd, Mountain Designs Pty Ltd, and Paddy Pallin Pty Ltd in compliance with court enforceable undertakings given by each company to the ACCC.
